BUILD YOUR SHELTER

SUNLINE SERIES

The Sunline Series Shelter is a perfect blend of modern urban design and functionality from Brasco. Designed for environments with high sun, the arched aluminum roof provides the perfect amount of coverages to keep commuters safe and comfortable. With our selection of powder coat paint colors, you can easily customize your Sunline Series Shelter to match your local branding efforts. Whether you're looking for a bold pop of color or a subtle accent, Brasco has you covered. Brasco's collaborative, client-centered approach guarantees that each project's unique expectations are exceeded.
