# BUILD YOUR SHELTER

## TRIDENT SERIES

The Trident Series Shelter's unparalleled design is a true eye-catcher that adds a touch of sophistication to any streetscape project. Its clean lines and suspended glass roof give it a bold and sleek appearance that is unmatched by any other shelter on the market. With easily customizable glass and powder coat options, this shelter is the perfect candidate to incorporate public art projects or custom branding elements. Investing in the Trident Series Bus Shelter is an investment in your community. Brasco's collaborative, client-centered approach guarantees that each project's unique expectations are exceeded.
