

SPECIALTY SHELTERS

OUTDOOR DESIGN
FOR REAL LIFE

Our Specialty Shelters are available in standard shelter sizes or custom tailored kiosk units. They can be modified to accommodate multiple kiosk units such as ATMs, providing security as well as protection for adverse weather conditions.

Customize any Specialty Shelter to fit your business branding style by selecting from a variety of powder coat colors, glazing and roof option. Pair with any Brasco site furnishings for a complete streetscape design.

For added security, choose from our line of LED lighting solutions.

Brasco's Specialty Shelters are made in the USA from aluminum, so will never rust. They are fully customizable and available in standard shelter sizes or custom designed units. Pair with any Brasco site furnishings to create a complete streetscape design.
