VISUALLY STRIKING CART CORRAL

# THE ARBOR

FOR STOREFRONT OR PARKING  
LOT CART RETURNS

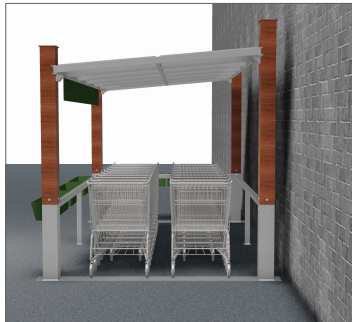

The Arbor Series cart corral adds a clean and visually striking look to any parking lot and provides high-quality exterior branding at an unbeatable value. This series is available in three styles, each with bold 6" square columns and customizable front or side banners. Fabricated from aluminum, the Arbor corral will never rust and can be replaced in sections for easy long-term maintenance.

Tailor the Arbor to best suit your brand by selecting from a variety of colors for the columns and signage, and consider a woodgrain powder coat to accent the columns.

FOR STOREFRONT OR PARKING  
LOT CART RETURNS

The Arbor-1 is our base model and is a clean, streamlined cart corral. The front aluminum banner with decal offers highly visible, customizable branding.

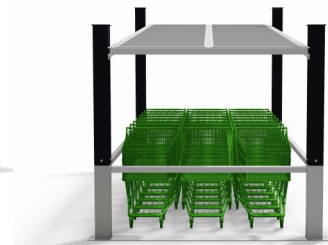

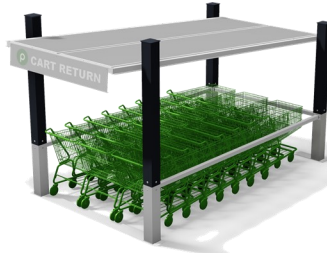

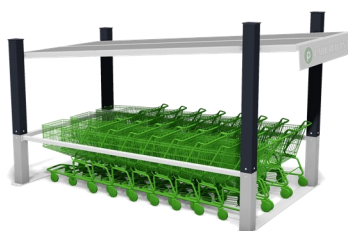

# THE ARBOR-2

SLOPES TRANSPARENT ROOF

The Arbor-2 offers more protection with a full-size translucent canopy. Constructed with structured polycarbonate and available in clear, white or bronze tones. The roof can be powder coated to match the columns, or accented in a different color to suit your branding. The front aluminum banner with decal offers highly visible, customizable branding.

SIDE SLOPED TRANSPARENT  
ROOF FOR STOREFRONT

The Arbor-3 corral is the third option in the Arbor series and is designed for storefront cart returns. This style offers the same canopy protection as the Arbor-2, however the roof is sloped to the left or right for proper runoff.

The roof can be powder coated to match the columns, or accented in a different color for additional branding. The roof is delivered completely assembled, reducing field labor, cost and time.
