

# CAPSOL

CART RETURNS & MORE

The Capsol series is an innovative, unique design that gives a modern aesthetic to any parking lot while providing full weather protection for carts. The Capsol features a mill or powder coat aluminum frame with structured multiwall glazing. Select from our standard White, Clear or Bronze glazing, or custom colors that are subject to availability.

Tailor the Capsol to suit your store's brand by selecting from dozens of powder coat color options for the frame and the preferred glazing color.
