# BUILD YOUR SHELTER

## INTERLUDE STRAIGHT

The Interlude Straight is a modern bus shelter model that combines sleek design with functionality. Designed for high-traffic and high-sun areas, the Interlude bus shelter will turn heads and provide commuters with a comfortable waiting area. Its unique industrial architecture adds a touch of sophistication to any location, making it a popular choice for modern streetscapes. Brasco's collaborative, client-centered approach guarantees that each project's unique expectations are exceeded.
