BUILD YOUR SHELTER

SLIMLINE ARCH

With Brasco's *Slimline Series Shelters*, you can choose a roof design that suits your project's needs. The Slimline Arch offers a modern twist to the traditional modular transit shelter design. These economical shelters are crafted with durability in mind, ensuring that they will withstand the test of time and remain a valuable addition to public spaces for years to come. Using our collaborative, client-centered approach, our team of shelter experts will exceed each project's unique expectations.
