SLIMLINE BARREL

With Brasco's *Slimline Series Shelters*, you can choose a roof design that suits your project's needs. Featuring an iconic barrel roof design, the Slimline Barrel will elevate the look of any transit stop. Brasco offers both low-profile and high-profile options to suit each project's specific needs. These economical shelters are crafted with durability in mind, ensuring that they will withstand the test of time and remain a valuable addition to public spaces for years to come. Using our collaborative, client-centered approach, our team of shelter experts will exceed each projects unique expectations.
