

BEAM BENCH

Brasco's Beam Bench is a stylish design for outdoor seating. With its simplistic modern design, it adds a touch of comfort to any streetscape project. The Beam Bench offers a deep seat, far wider than industry standards. Aluminum anti-vagrant bars and durable HDPE bench slats make this bench a durable addition to any streetscape project. Choose from Brasco's wide variety of powder coat paint and HDPE colors to customize the Beam Bench to your unique requirements.
