

# PEDESTAL BENCH

The Pedestal Bench is a versatile seating solution that will take your streetscape project to the next level. This freestanding bench combines convenience, durability, and simplicity to create a comfortable shelter oasis. With a choice between aluminum or HDPE bench slats, the Pedestal Bench allows you to tailor the look and feel to suit your design preferences. The optional backrest enhances comfort and functionality. Designed with inclusivity in mind, the Pedestal Bench can be modified to meet ADA compliance standards, ensuring everyone can enjoy its comfort without limitations.
